

## **Becoming A Member of the Prophetic Team**

Thank-you for your interest in becoming a part of our CCC Prophetic Team.

Here at CCC, we believe that everyone engaged in an ever deepening relationship with God has the ability to know what is on His heart. We also understand this ability to “hear His voice” can be developed through passionate pursuit and intentional practice. Hebrews 5:14. This is why we come together monthly as a prophetic community; to grow in our ability to hear God for ourselves and for others.

Our mission as a team is to encourage and build up those around us with positive, timely, and strategic words from our loving Father. If this is your desire, we invite you to pursue ministry with us as an “official” member of our prophetic team.

Below you will find a step-by-step description of the process that each person has undergone to become an active member of the prophetic team.

While the path to join our team is not complicated, there are specific steps to initially connect with us, as well as clear-cut expectations to continue with us as a functioning member of the team.

If you have any additional questions, please contact us by email at [Prophetic@christcc.org](mailto:Prophetic@christcc.org).
